SFOS Meeting

Tues. Jan. 7, 2014

January 2014 Volume 63 Number 1

The mission of the SFOS is to foster the culture and cultivation of orchids and to promote education of its members and the public about orchids. Our goals include: an exchange of information from exhibitions, publications, and the Internet, maintenance of a reference library, and participation in worldwide activities.

January Speaker

Fred Clarke

Aussie Native Dendrobiums and their Cultivation

Fred Clarke

Fred Clarke has been growing orchids for 36 years and has been hybridizing for 27 of those years. With over 25 years as a professional grower and manager in the horticultural industry, Fred applies these skills at his orchid nursery; Sunset Valley Orchids, located in San Diego, California.

He is a passionate orchid grower whose curiosity in orchids is broad and varied. Although developing Cattleya hybrids has been his sustaining interest, he is also actively creating new Aussie Dendrobium and Paphiopedilum hybrids.

His pioneering work in Catasetum intergeneric hybrids led to the development of several notable hybrids, most recently the grex, Fredclarkeara After Dark, which produced "the blackest flower ever witnessed". This grex has received eight FCC's, eight AM's and the coveted 'Award of Distinction' on the first flowers shown for judging! Fred is an Accredited Judge in the Pacific South Judging Region. His plants have received hundreds of quality awards from the American Orchid Society.

Tues. January 7, 2014
AOS Judging: 7:00 PM

Aussie Native Dendrobiums and their Cultivation

Our friends down under have been breeding their native Dendrobiums and creating some fantastic flowers- the word is out! Aussie Dens are easy to grow, tolerant of heat and cold, have fragrant flowers, and re-bloom from the old bulbs! They grow well with Cattleyas and in frost free areas they are perfect plants for the shade house. In conclusion we will cover the 'best practices' for growing these remarkable plants.

Dinner with the Speaker

Please join us in the parking lot in back of the SF County Fair Building at 5:30 PM sharp.

Minutes of the SFOS Board Meeting

SFOS Board Meeting December 17, 2013

Present: Mary Gerritsen, Jean Lee, Dennis Westler, Valerie Mountain, Chris Mende, Florence Inserto, Carol Zoltowski, George McRae, Steve Beckendorf, Dave Hermeyer
Excused: Claire Zvanski

I. Vice President's Report

A. Steve: January speaker will be Fred Clarke, topic: Australian Dendrobiums. He will also provide the plant opportunity table. Sherry Bridygham will present the Skill Session, topic: a new conservation organization. February speaker will be Dave Sorokowsky, topic: Paphiopedilums. The plant table provider is TBD for now. The February skill session will be led by Cindy Hill, topic: preparing and entering plants for the POE.

II. Treasurer Report

A. Carol noted that, as of the 3rd week in December, our High Yield Savings account balance is \$86,588.48, the Market Rate Savings account balance is \$1506.28, and the Checking account balance is \$57,928.17. Vendor fees for the POE are coming in, as well as member dues for 2014. Thanks to Dave Hermeyer for making a donation to the SFOS in addition to his membership renewal. Carol made a request for all to submit receipts to her for any deposits into the bank accounts as well as expenses incurred, including raffle tickets, speaker fees, speaker meals, travel & lodging, and plant tables.

III. Membership

A. Membership renewals are still coming in for 2014. Florence is reworking the membership lists to reconcile the website, lifetime memberships and new members. Jean is helping to update the lifetime membership information. Florence is also eliminating any redundancies in the meeting reminder postcards that are sent out. March is the cutoff for membership renewals for 2014.

IV. Old Business

A. POE Update- Dennis reported that we are still negotiating for sponsorship from KCBS and Taiwan. Donations for the Silent Auction are coming in, including cruises, tours and safaris. A sponsor is needed for the wine glasses. Postcards for the show are going out at the end of January. There will be a new layout for the front entry and sales area for a more exciting appearance. Tee shirts and flyers will be ready for the January monthly meeting, and emails are going out to the show chairs. The volunteer match website will be up and running this week. Mary is setting up the seminars for the show. The jazz band will be the same as last year. We will not have the harp player this year, but there will be a jazz DJ for one day. Bus tours are being set up, and requests are being sent out to other societies for additional tours. On Thursday evening, February 6th, we will have a table set up at the Exploratorium demonstrating orchid pollination methods. Exhibitor applications have been sent out, and Dennis is still open to any other contacts for additional exhibitors. Dennis will be following up with Casper Curto and any other volunteers) for the SFOS display.

V. New Business

A. Book Sales- The new books, A Compendium of Miniature Orchid Species, Volumes 1 and 2, by Ron Parsons, Mary E. Gerritsen and Alistair S. Robinson are now available. A discussion was held by the board about making the books available for sales at the SFOS meetings and the POE, to avoid any conflicts with the Society by-laws. A motion was made and seconded to have the SFOS purchase a to-be-determined number of books at wholesale price to be sold at the SFOS meeting and the POE at a discounted retail price for the 2 volumes, as well as donating some copies to non-profit organizations including the Conservancy of Flowers and the Helen Crocker Russell Library. The motion was carried, with one opposing

Refreshments

Q - W

SFOS members are encouraged to help out with refreshments, setup and cleanup at Monthly Meetings. If your last name falls within the letter range **Q - W** please bring snacks such as fresh fruit, crackers & cheese for the next meeting. About three dozen cookies, one cake, one to two pounds of fruit or cheeses, or one box of crackers is an appropriate amount. Remember to pick up your raffle ticket as one of the rewards of sharing - and good luck in the drawing!

vote. Mary will take a poll at the January SFOS meeting to see how many members are interested in purchasing the books. The meeting was adjourned at 9:00.

Respectfully Submitted,

Pacific Orchid Exposition- 2014 - Orchids And All That Jazz

February 20-23, 2014 Ft. Mason, San Francisco, CA

Plant Registrars for the Spring Show - Welcome!

Are you familiar with orchid genera names? Want to make a big contribution to the show? Organized? Like to work mostly sitting down? If so, we'd love to hear from you!

We are looking for a team of intrepid volunteers to coordinate plant entry for the Pacific Orchid Exposition. Plant registrars are the folks who help people know which category their plant should be entered in, answer questions, and keep the entry books carefully organized so all is ready to go for ribbon, trophy, AOS and CSA judging on Thursday .

Plant registration takes place from noon to 9 pm on Wednesday, February 20, and 8 to 9:30 am on Thursday, February 21. You do not need to be there for the entire time. It's interesting and fun working with plants and exhibitors.

For details, please contact **Cindy Hill** by email at hill-cynthia@comcast.net or call 510-524-1854.

Don't Let The Youth Prize Pass You By.

The Imperiale Youth Prize Pacific Orchid Exposition 2014

If you are seventeen or younger, it's time to represent your best. Show off your orchids, show off your skills. Join in the excitement at this year's **Pacific Orchid Exposition 2014**. The San Francisco Orchid Society is proud to announce the return of the youth prize. **The Imperiale Youth Prize**, which is awarded annually at the Pacific Orchid Exposition, recognizes cultural excellence by those seventeen and younger. But without you there is no "Best Orchid Plant Grown by a Youth." Enter a plant. You may find yourself with a ribbon. You might win the youth prize. You will have fun. Entries are accepted at the POE 2014 show prior to the opening.

POE 2014 Pre-orders for Foreign Vendors

Note to all SFOS members. A number of our foreign vendors are accepting pre-orders. This is an excellent way to make sure you get the species you are looking for. As we receive the price lists, they will be posted to the SFOS web page: <http://www.orchidsanfrancisco.org/poe.html> For example, just in, the price list for Hengduan Mountains Biotechnology- check out the unusual, rare paphiopedilum species as well as various Cypripedium species. Just click on the link for this vendor. Also available: Peru Flora, Ooi Leng Sun Nursery, Orquideas del Valle and Ecuagenera.

The new two volume book "**A compendium of miniature orchid species**" by SFOS members Ron Parsons and Mary Gerritsen is now available.

The SFOS is planning a special purchase of the book from the publisher for SFOS members, and will be able to offer the books at a discount from the retail price.

The retail price is \$162 for the two volumes (plus shipping costs); the SFOS will be able to offer the books at a discounted price. Books will only be sold as the two volume set. At the January SFOS meeting there will be a sign up sheet for those interested in purchasing a set of books at a discounted price.

If you are interested in getting these books at the special discount price, please sign up at the January meeting, or send an email to info@orchidsanfrancisco.org.

Deadline for signup will be the day after the January meeting (January 8th). This is necessary so that the books can be shipped in time for the POE (and possibly the February meeting).

Proposed 'Orchids in the Wild' trip to Brazil to visit Reserva Serra Bonita, Chapada Diamantina, and Salvador, Bahia

March 14 - March 29, 2014

As OCA members (all SFOS members are OCS members as well) may know from the OCA November 2014 newsletter, the OCA has recently invested in Reserva Serra Bonita, near Ilheus, Brazil, as part of our program to protect orchid habitat. Because interest in this reserve is high, we have designed a trip to visit there and to visit other orchid sites in the nearby region of Chapada Diamantina. Please click on the link to learn more and to view the proposed itinerary.

Opportunity of a Lifetime!

With the departure of Golden Gate Orchids from the orchid greenhouses in Pacifica, a unique orchid opportunity is in the planning stage. The Hawk Hill green house of John Leathers & Bob Hamilton is in the process of moving up the "hill". Their current greenhouse will be transformed into a conservation center.

Highlights include:

- Formation of a nonprofit foundation

- Temporary maintenance for heat loss & assessment of the infrastructure
 - Obtaining grant monies for modernization
 - Formation of a Board of Directors from our orchid community, universities, or orchid interests outside the USA.
 - Working with countries to re-populate endangered plants
 - Encouraging countries such as Columbia & Ecuador, to develop biological tourism.
- Attend the skill session and find out more.

Wear Your Name Badge

The board voted to provide a special raffle ticket to members when they pick up and wear their name tags at our meetings. A drawing for a plant from the opportunity table will be limited to this and will immediately follow the choice by the person who did the Skill Session and the winner from the Show and Tell table. So, wearing your name tag will get you an early selection from the opportunity table.

Your name tag will be available at the membership table.

Member's Corner

SFOS Monthly Show and Tell Table

We want to thank our members who bring in their plants for display at the monthly meetings. This is a great viewing experience for all and a great way to learn about new plants we might want to try to grow in the future for ourselves.

But did you know that you can bring in a blooming plant that you might not be certain about the name or type and have our group of experts help identify your plant? The more you know, the better your chance of success. Thank you for participating and we'll see you and your plants at the next monthly meeting.

Announcements

Greetings San Francisco Orchid Society Member It's time to renew your membership!

With the passing of another year, it's time to renew your San Francisco Orchid Society Membership for 2014.

Your dues help the Society fulfill its mission to foster the culture and cultivation of orchids and to educate the public about orchids. Each year, the Society puts on one of the largest orchid shows in the U.S., brings you speakers from around the world giving presentations on all manner of topics about orchids and presents a diverse and highly educational plant table at each monthly meeting.

The Society thanks you for your support this past year (or half year to those of you who've joined since June!) and we hope you'll continue your membership for 2014. Dues are \$25/year individual or \$40 per couple - a bargain when compared to many other plant societies.

The Society also established an endowment, a savings account basically, to support the mission and operation of the Society in the future. All contributions to the endowment are tax-deductible. This is a great opportunity to make a donation before the end of 2013 and it will really help secure the future of the Society for years to come.

Thank you and we'll see you at the Hall of Flowers!

On-line Membership Roster

We have been updating our membership lists, and hopefully the on line roster is up to date too. If you want to check your information, or look up someone's contact information, go to

www.orchidsanfrancisco.org/member/login.php

If you have forgotten your password there is a link to recover your password. If you have an orchid related business (e.g. nursery, decorating, landscaping, flower arranging, art, ceramics, photography etc.) and would like it listed in our business listing, please contact membership: czvanski@hotmail.com or flojo1337@yahoo.com

Writers wanted!

Would you like to contribute a short article to the SFOS newsletter?

Cultural information about your favorite species or hybrid?

Do you have other orchid related information you would like to share with the membership? If you are interested, please contact the newsletter editor with a brief description of what you would like to contribute. We'd like to make the newsletter more informative to our members, and this is a great way to share your knowledge.

Photos wanted!

Do you take photos at the meetings? Would you like to be a "published" photographer? We'd like to run a few (2-4) photos each month of plants that were shown at the previous meeting. Helps us make our newsletter more attractive! If you would like to submit photos, please contact the newsletter editor.
