SFOS Meeting

Tues. February 3, 2015

February 2015 Volume 64 Number 2

The mission of the SFOS is to foster the culture and cultivation of orchids and to promote education of its members and the public about orchids. Our goals include: an exchange of information from exhibitions, publications, and the Internet, maintenance of a reference library, and participation in worldwide activities.

February Speaker

Steve Beckendorf

Recent Discoveries in Peru

Steve Beckendorf

Steve started growing orchids in the early 1980s and quickly became fascinated by *Odontoglossums* and their close relatives because of their beauty and variety. They had a glamorous past as the most sought after plants in the orchid frenzy that gripped Europe in the 19th century. In addition, excellent hybrids were available from growers and hybridizers on the West Coast.

He soon realized that few of the species in this group were readily available and began collecting them for propagation and use in

hybridizing. His attempt to find unusual or lost species has led to many trips to the cloud forests of Mexico & South America.

As a geneticist and developmental biologist at the University of California, Berkeley, Steve has worked on the mechanisms that define tissues and organs in early animal embryos. Because of this background, he has been interested in several of the scientific aspects of orchids, including molecular taxonomy and deceptive pollination strategies.

Steve is passionately involved in orchid conservation and is a director of the Orchid Conservation Alliance (OCA) and a member of the Conservation Committee of American Orchid Society.

For the last five years I've had the opportunity of traveling to Peru with a couple of friends, Guido Deburghgraeve and Stig Dalström, to find and collect orchids that would help document and expand the tremendous diversity of orchids in this huge and underexplored country. We have been able to collect plants because Manolo Arias of Peruflorea had gotten permits from the Peruvian environmental authority, Inrena. They asked me to join them.

We traveled to places in both northern and southern Peru where we thought few people had been to collect or identify orchids. We found several new species, some of them large and showy, and enjoyed the spectacular scenery, rare birds like the Andean condor, and wild

Minutes of the SFOS Board Meeting

SFOS Board Meeting- January 12, 2015

Present: George McRae, Jean Lee, Valerie Mountain, Steve Beckendorf, Carol Zoltowski, Tom Perlite, Chris Mende, Claire Zvanski, Dexter Hodes

Excused: Dennis Westler, Florence Inserto, Dave Hermeyer
The meeting started at 7:30.

I. President's Report

A. George has asked Chris Mende, Dave Hermeyer and Greg Farley to serve as the nominating committee for SFOS Board Members for the next term, starting in June 2015. Jean Lee expressed interest in replacing Mary Gerritsen as Past President Ex- Officio. Steve made a motion to accept Jean's offer; the motion was passed. Tom, with the help of his brother, Paul, looked into a new insurance policy for the SFOS. They selected an umbrella policy for non- profits, that will cover the SFOS monthly meetings, POE, OITP and board meetings. The policy went into effect at the beginning of January, and will replace the AOS policy. There was some difficulty getting into the Hall of Flowers building for the January monthly meeting. George will look into getting a key for access.

II. Vice President's Report

A. Steve will be the speaker for the February meeting, topic: his recent trip to Peru. Cindy Hill will run the Skill Session, topic: how to enter plants for POE. Plant Opportunity Table is TBD.

III. Treasurer

B. Carol: Checking: \$31,671.76, High Yield Savings: \$117,584.17, Market Rate Savings: \$1506.98.

A comparison of operating finances between 2013 and 2014 was reviewed, and it was noted the society needs about \$28,000 to operate. This does not include POE costs. With a profit of approximately \$40,000 from the 2014 POE, there is some cushion, but expenses still need to be carefully monitored. Carol is ordering credit card machines from Wells Fargo for the POE. Linda Tripp and Jeff Harris, Show Treasurer, will be working with Carol during the POE.

IV. POE

A. Dennis sent in his report, noting that Volunteer Match should be operational on the website this week. Dennis is looking for people to run daily demonstrations on potting and mounting orchids, because

NOTICE TO BUSINESS MEMBERS OF THE SFOS

Member Orchid Related Businesses in our Roster are out of date. All current SFOS members who wish to have their Orchid Related Businesses listed need to contact membership. See contact information above or at end of this newsletter.

Refreshments

N - T

SFOS members are encouraged to help out with refreshments, setup and cleanup at Monthly Meetings. If your last name falls within the letter range **N - T**, please bring snacks such as fresh fruit, crackers & cheese for the next meeting. About three dozen cookies, one cake, one to two pounds of fruit or cheeses, or one box of crackers is an appropriate amount. Remember to pick up your raffle ticket as one of the rewards of sharing - and good luck in the drawing!

AOS Awards

the past speaker, Brian, is not available. There are 3 demonstrations per day, and the pay is \$100/day. There is a sound system provided. Post cards have been mailed, and there has already been an ad/notice in the SF Chronicle. Because Frances was unable to be at the January monthly meeting, she has asked our poster distribution people to get out more flyers than we usually give them. Flyers, postcards and Tee shirts will be available at the February meeting. Taiwan has signed on for \$27,000, and ads will go up on BART trains and stations.

Tom reported that all vendors have paid except one who will pay upon arrival. Some new exhibitors have signed on for this year. Mary Nesbitt will not be coming this year. Taiwan will have a trade show type exhibit with some focus on orchids. Tom has been working with the Fire Marshall to cover all issues for the show. There is a new regulation requiring Crowd Control Managers for every 250 attendees. This requires a \$20 online course. Tom will provide the link to the board for the course. Floor plans for the show, as now required, are being prepared by a graphic designer. Mark Sullivan will have limited availability to cover Ticket Sales, due to family issues, and would appreciate support from SFOS members.

V. Membership

A. Claire notes that many people renewed their membership at the January meeting, and members were asking about volunteering for the POE. Claire and Florence are getting the Business section of the roster updated due to response to the notice in the January newsletter.

The meeting was adjourned at 8:20.

Respectfully Submitted,
Valerie Mountain

Wear Your Name Badge

The board voted to provide a special raffle ticket to members when they pick up and wear their name tags at our meetings. A drawing for a plant from the opportunity table will be limited to this and will immediately follow the choice by the person who did the Skill Session and the winner from the Show and Tell table. So, wearing your name tag will get you an early selection from the opportunity table.

Your name tag will be available at the membership table.

Member's Corner

SFOS Monthly Show and Tell Table

We want to thank our members who bring in their plants for display at the monthly meetings. This is a great viewing experience for all and a great way to learn about new plants we might want to try to grow in the future for ourselves.

But did you know that you can bring in a blooming plant that you might not be certain about the name or type and have our group of experts help identify your plant? The more you know, the better your chance of success. Thank you for participating and we'll see you and your plants at the next monthly meeting.

"Orchids in the Wild" Orchid Trips Orchid Conservation Alliance

Summer 2015 – BOTANICAL ILLUSTRATION ON THE BRAZILIAN AMAZON

Dulce Nascimento is a Brazilian botanical artist living in Rio who also teaches botanical illustration. Some of you have seen and purchased her work in the OCA booth at orchid shows. She and American print artist and illustrator Kathi McCord will be leading a trip on the Amazon riverboat 'Otter'. The trip will run from June 3rd to June 12th, 2015 and originates in Manaus. Cost is \$2150 for double occupancy and \$2950 for single occupancy, not including airfare to Manaus. The trip is limited to 14 passengers. More details of the itinerary will be available in October. This trip will be led by OCA president, Peter Tobias.

More information on the trips, detailed itinerary and booking forms can be found here:

The Imperiale Youth Prize

Calling All Young Orchid Growers

It's that time of year again. Time to get your plants ready for the Pacific Orchid Exposition 2015. Share the beauty of your plants and show what the next generation of orchid growers has to offer. You may even win The Imperiale Youth Prize, which is awarded annually at the Pacific Orchid Exposition. The award recognizes cultural excellence by those seventeen and younger and has been won several times in recent years. The winner receives a great sense of accomplishment and a sterling silver Dracula orchid medal that was designed specifically for the Imperiale Youth Prize. What are you waiting for? If you don't enter, no one wins. Enter your plant(s) on Thursday, February 18 at the Festival Pavilion, Ft. Mason, San Francisco.

Calling all Ribbon Judging Volunteers for POE 2015

Ribbon Judges are needed!

Ribbon Judging occurs Thursday afternoon, the 19th and volunteers must arrive by 11 since we start promptly at 1 PM. And when I say start, I mean 'out on the floor' starting. For those of you who have done this before, there is Fort Mason clean up starts at around 4 and the infamous Zamboni machine does its thing which makes hearing very difficult. There are lots of plants to go through and best of class and special trophy awards after the actual ribbon awards.

Anyone can be a member of a team and usually experienced ribbon judges are teamed with those who have less experience so it is a win-win time for everyone and things so smoothly [and EVERYONE has fun]. If you have special interest or knowledge of a particular genus, let me know that because I will also try to match you with your areas of expertise or interest.

So join us to kick off the POE in style! There will be signup sheets at the February SFOS monthly meetings. Or you can beat the crowd and avoid the long lines at the signup table by sending me an email at czoltowski@sbcglobal.net or leave me a message with your phone number or email at 415-657-3222 by **FEBRUARY 10**.

POE 2015 Member Plant Sales

Information for SFOS Members Who Want to Sell Plants

1. Each SFOS member will be permitted to have 100 plants only in the Member Plant Sales area at a time. That means that as your individual plants are sold, you can bring in more. Each night I will make a tally of those plants sold and make that information available to anyone who wants to call me about it.
2. Place a label on each plant and make 2 inventory sheets-one for your records and one to give to the chair/sales staff for record keeping.
3. Labels must be legible and that includes the price. Member codes will be 3 letters followed by 1 to 3 numbers. At the time of check-in, your chosen letter code will be checked to insure that there are no duplicate codes. Before being placed on the sales table, plants must be checked in by a SFOS Member Plant Sales volunteer. The volunteer staff is responsible for removing any plants that are diseased or not established. A good rule of thumb is, if you would like to buy the plant, then it is good to sell to someone else.
4. Plants can be checked in for sale starting Thursday morning **February 19 from 10 AM until 6PM**. Please do not leave your plants without official check-in. If you 'drop plants off' without check in we won't put them on the bench for sale.
5. The San Francisco Orchid Society will assume a 25% commission for the sale of plants at the table.
6. Each person bringing plants to sell must work at the plant sales table for at least 3 hours-it doesn't have to be all at one time. I do know that the POE is a huge undertaking and there are many people who do lots of volunteer time in a variety of areas. BUT...there are lots of plants in the member plant area and just a few loyal folks who sell everyone's plants year after year. If you are busy doing other things, you must find someone to take your shift obligation. And that shift obligation will have to be at a time where there is a need.
7. When you work at the sales area, your purpose is to sell EVERYONE's plants, not just your own plants. Anyone who attempts to sell his or her individual plants without going through the show plant sales procedure will be asked to leave the area with their plants. No side deals!
8. Each member who brings in plants is completely responsible for any loss to his or her plants. In other words, we do our best to promote and sell plants and to safeguard them from loss, theft or damage. But it happens.
9. Plants can be removed from the plant sales area on Sunday beginning at 15 minutes before the close of the show. Any exception to this must be cleared with the chair or co-chair of the Member Plant Sales area.
10. There will be no 'saving' plants [removing plants from the general sales table] for anyone other than those folks who are working in the plant sales area at the time of their shift.
11. No plants will be sold at the Member Plant Sales area **BEFORE 4 PM on Thursday, February 19**. There will be no exceptions. No one can put plants behind the sales table for later purchase. We try to keep the sales area a 'level playing field' where everyone gets an

equal crack at the bargains that are there. Sales at that time, before the opening of the show, will be for exact amount cash or check only.

Volunteers are needed for all shifts on all days especially Friday all day, Saturday all day, and Sunday AM! Sunday PM shifts are always overbooked. It will be first come, first served for volunteers for Preview Night until all shifts are filled. Signup sheets will be available at the February SFOS meeting or you can contact me at czoltowski@sbcglobal.net or 415-657-3222. ***Hope to see you in the member Plant Sales area of the POE.***
VOLUNTEERS MUST GIVE ME YOUR NAMES BEFORE FEB 10 TO ALLOW FOR NAMETAG PRODUCTION.
